H₃ DERMA+

PREMIUM CARE

Premium Care Concept

GH3 Derma+Premium Care is an extension of Derma+ and it is a range that contains premium skin care products.

Derma+ products accelerate certain healing skin problems, and Premium Care provides care and maintains the beauty and the health of your skin, through top products.

The products:

- contain increased concentrations to the latest generation of active ingredients, with synergic action**
- are good tolerated by the skin (dermatologically tested)**
- the effectiveness of the products has been clinically proven by Evic Group.**
- are easy and tested for use**
- the ensure a care program designed for each skin need**

Target

- People who are very concerned with the appearance of their skin, who wish to maintain a youthful appearance of their skin, as long as possible, who invest in highly effective cosmetic products based on active ingredients to the latest generation, people aged between 30-50 years.
- People undergoing interventions, plastic surgery procedures and wish to speed up the healing process, but also between interventions.

Positioning in terms of price and quality : Premium, in pharmacies that meet this criteria.

The structure of the range

| | Primary benefits | Active principles |
|---|---|--|
| MICELLAR GEL | gently cleans the skin removing makeup, sebum and dead cells | Aquaxyl |
| EXFOLIATING BOOSTER WITH AHA | Unifies and confers brightness to the skin | AHA , exfoliating complex, Vitamin C |
| SOOTHING PROTECTIVE CREAM | Repairing and restructuring effect on the skin, but also a skin care product for mature and aged skins. | Centerox , nutrients and emollients |
| OXYGENATING AND MOISTURIZING CREAM | Gives a youthful, fresh look Provides the required energy level of the skin, stimulates cellular breathing and the stress resistance to UV radiations, accelerates skin cell renewal | Revitalin PF essential principles, rich in amino acids and adenosine, Active mineral complex |
| ANTI-WRINKLE RESTRUCTURING CREAM SPF 10 | Booster for diminishing wrinkles By an action if "filler without a needle" with collagen and elastin, the wrinkles are reduced and the skin regains its firmness and elasticity. | Neodermyl® , liposomes with Hyaluronic Acid and stable Vitamin C |
| LIFTING BOOSTER CREAM night | Wrinkled, slackening skin Improves skin firmness and elasticity | Tightenyl® is an active lift innovator, which activates at the cellular level Hyaceramidyl , liposomes with Hyaluronic Acid, brings an important input of hyaluronate with a low molecular weight, squakalane and ceramide, |
| DEEP WRINKLE FILLER | Concentrated serum with innovative active principles, | Tightenyl® in an active lift innovator, Neodermyl® stimulates the synthesis of structural proteins of the skin, Lipoceravit C , liposomes with stable Vitamin C |
| WHITENING GEL | Restores the uniformity and provides a brightness to the skin, diminishes the dark spots | Pure Resveratrol , Arbutin , Vitamin B3 and Vitamin C |
| CC CREAM SFP 10 | Medium tint. Natural aspect, uniform colour. All skin types Combines the properties of a make-up product with the benefits of a skin care product. | Matrixyl synthe'6 , Aquaxyl |
| INTENSIVE CARE PROGRAM | Anti-wrinkle booster / All types of skin | Matrixyl Synthe'6™, collagen and elastin Complex of marine origin and liposomes with hyaluronic acid, cocktail of vitamins E, A and C |

Micellar gel

Gently cleans the skin removing makeup, sebum and dead cells

Active ingredient:
Aquaxyl agent with moisturizing and restructuring effect

- **Code 475 150 ml**

EXFOLIATING BOOSTER WITH AHA

- ✓ Unifies and confers brightness to the skin

Active ingredients:

AHA exfoliating Complex ensures a gentle exfoliation, a regeneration of the skin from the inside out, an effective hydration.

Vitamin C, which is present in a particularly stable form, stimulates the synthesis of collagen, restores the natural protective barrier of the skin, improves the general appearance, fine lines and wrinkles, and it has an anti-inflammatory and antioxidant effect.

Code: 476 4 ampoules Exfoliation with AHA Kit

Clinically proven efficacy:

Luminosity +51.67%

Uniformity +42.08%

The results obtained after the use of the 4 ampoules

SOOTHING PROTECTIVE CREAM

Repairing and restructuring effect on skin
It ensures comfort of the skin after the treatment with **Whitening gel** and **AHA Booster Exfoliant**.

Active ingredients:

Centerox stimulate the synthesis of the new fibers of collagen, promoting the repairing process of the skin, contributes to the reduction of wrinkles

Code: 477 50 ml

Clinically proven efficacy:
- the transepidermal loss is reduced approximately with 67,48% after 8 days

OXYGENATING AND MOISTURIZING CREAM

Gives a youthful, fresh look
It is a day cream, complex and sophisticated,
which complies with the proper diurnal
energetic pace of the skin.

Active ingredients:

Revitalin PF essential principles - Provides the
essential energy level for the skin, optimal
moisturizing, stimulates cellular breathing,
accelerates skin cell renewal
The active mineral Complex improves skin
oxygenation, with an energizing effect

Code: 478 30 ml

ANTI-WRINKLE RESTRUCTURING CREAM SPF10

Booster for diminishing wrinkles

By an action if "filler without a needle" with collagen and elastin, the wrinkles are reduced and the skin regains its firmness and elasticity.

Active ingredients:

.**Neodermyl®** stimulates the synthesis of the structural proteins of the skin provind the cells a secure and pre-activated form of energy, specific essential amino acids and copper, a cofactor in the process of maturation of the collagen and elastin fibres.

The association of liposoms with Hyaluronic Acid and stable Vitamin C, acts as a booster for the redensified effect, bringing an important input of ceramide.

Code: 479 50 ml

LIFTING BOOSTER CREAM

Improves skin firmness and elasticity

Active ingredients:

Tightenyl® is an active lift innovator, activates, at a cellular level, all the pathways for the synthesis of proteoglycans, with obvious clinical results on skin firmness and elasticity.

Hyaceramidyl, liposoms with **Hyaluronic Acid**, bring an important input of low molecular weight hyaluronate, squalane and ceramide, having a synergistic action with **Tightenyl®**.

Code: 480 50 ml

DEEP WRINKLE FILLER

It is a serum concentrated in active innovative principles, type "filler without needle", acting on structural macromolecules from the dermis and from the dermal-epidermal junction.

Active ingredients:

Tightenyl® is an active lift innovator, activates, at a cellular level, all the pathways for the synthesis of proteoglycans, with obvious clinical results on skin firmness and elasticity.

• **Neodermyl®** stimulates the synthesis of the structural proteins of the skin providing the cells a secure and pre-activated form of energy, specific essential amino acids and copper, a cofactor in the process of maturation of the collagen and elastin fibers. **Lipoceravit C**, the liposoms and the stable Vitamin C act as a booster for the redensified effect, bringing an important input of ceramide.

Code: 481 15 ml

WHITENING GEL

Restores the uniformity and provides a brightness to the skin, diminishes the dark spots

Active ingredients:

Resveratrol pure, with a complex mechanism of action and **Arbutin**, tyrosinase enzyme inhibitor.

Vitamin B3 and **Vitamin C** with the ability to discolour, stimulate collagen synthesis, restore the barrier function of the skin , antioxidant, anti-inflammatory, anti-wrinkle.

Code: 482 30 ml

CC CREAM SPF 10

Medium tint. Natural aspect, uniform colour. All skin types
A multipurpose cream with light texture, combining the properties of a makeup product with the benefits of a skincare product.

Active ingredients:

Matrixyl synthe' 6 increases the density and firmness of the dermis.

Aquaxylul is an exceptional hydrant improves the barrier function of the skin.

Code: 483 30 ml

GEROVITAL®

INTENSIVE CARE PROGRAM

H₃ DERMA+

PREMIUM CARE

Anti-wrinkle booster / All types of skin

It is designed as a kit with 7 ampoules, specific to the particular routine of every day of the week, each providing the benefits of a type of action in skincare.

1. Monday: Oxygenation
2. Tuesday: EXFOLIATION WITH AHA
3. Wednesday : Anti-wrinkle
4. Thursday: Lifting
5. Friday: Oxygenation
6. Saturday: Anti-wrinkle
7. Sunday: Vitaminizing

Active ingredients:

Matrixyl synthe'6 increases the density and firmness of the dermis.

Aquaxylul is an exceptional hydrant improves the barrier function of the skin.

Colagen complex and elastine with marine origin and the liposoms with **hyaluronic acid**, active principles that restore the extracellular matrix and improve the elasticity and firmness.

Vitamins A, E, C neutralize the harmful effects of free radicals

Code: 484 7 ampoules X 2 ml
